

## **RFQ-CSCLM 26-DW-01**

### **Questions and Answers**

#### **Question:**

Page 9 of the RFQ package requests Total Bonding Capacity. CareerSource Citrus Levy Marion, as a direct service provider, is not bonded. However, we carry a Professional Liability policy in the amount of \$2,000,000.

As a direct provider of services, a contractor relationship is not established and therefore bonding is not appropriate.

Is it permissible to list our Professional Liability coverage amount in this section?

#### **Answer:**

Yes. Bonding is not required; however, a reasonable level of liability insurance is required based on program and service delivery levels.
