Where to Find Interview Clothing

Thrift Shops: Goodwill, Hospice, Salvation Army and many others often have appropriate, affordable clothing. Make sure the clothing is free of stains and tears.

Friends and Family: If you have friends or family members who are the same size as you then you may want to ask them if you can borrow attire that they may own. However, do not wear something that is too tight or too loose. Make sure the style is flattering on you and that you feel confident wearing whatever you borrow.
