HOW SHOULD I DRESS FOR THE EVENT?

You won't get a second chance to make a good first impression. Attire doesn't have to be new, expensive or fancy; focus on being clean, neat and modest. It is recommended to dress for the job in which you are applying for.

WHAT IS THE DIFFERENCE BETWEEN A CAREER FAIR AND HIRING EVENT?

We help candidates and businesses leverage relationships in a variety of meaningful ways. Career Fairs allow candidates to meet with a variety of local businesses at a single function, while Hiring Events offer candidates an opportunity to meet with representatives from a single business.
