

Virtual Event Platform RFP

Questions & Answers

Q. Do you have a rough number of event's in mind that might be hosted over a 12 month period?

A. 12 – 60 annually

Q. The proposed budget of \$15-\$20k is for each event or all the events collectively?

A. The proposed budget amount is for the purchase of the virtual event platform itself.

Q. Total number of events over a 12m period?

A. 12-60 events

Q. Estimated number of companies participating per event?

A. Number of employers can range from 1-20

Q. Estimated number of attendees and/or job seekers per event?

A. For some events it could be up to 500+

Q. When are you wanting this new platform in place?

A. We are looking for the platform to be in place as soon as possible. Once the RFP closes we must score each proposal which meets our specifications, then it must go in front of our executive committee and our board. This process can take 30-90 days depending upon the timing of the meeting cycle.
