

# HURRICANE IAN ASSISTANCE

*Help is here*

In the wake of Hurricane Ian, CareerSource CLM deployed teams weekly to assist CareerSource Flagler Volusia with disaster unemployment relief.

The four-person, bilingual teams staffed our Wi-Fi equipped Mobile Career Center providing support in areas hardest impacted by the storm, including Daytona Beach, New Smyrna, Oak Hill, and Edgewater.

In all, 224 individuals were served over the course of four weeks by a total of 10 staff volunteers. Additional volunteers were available if needed.

The following services were provided:

- Job Search Assistance
- Emergency Unemployment Insurance Assistance
- Emergency SNAP Assistance
- Assistance connecting staff remotely to their case managers back in the centers
- Internet Access
- Referrals to Community Resources
