DISCUSSION ITEMS

State Update

Rusty Skinner provided the following updates:

- The regional directors met with CareerSource Florida and DEO on May 24 and then CareerSource Florida hosted their board meeting on June 6 and 7. Several topics were discussed during both meetings:
 - System Improvements – There was discussion on how EmployFlorida is not user friendly, full registration is a lengthy process, and self-referrals do not add to the region's goals. These issues are under consideration for improvements.
 - Statewide Pricing – By obtaining improved pricing options for various items, the State has the potential to ensure consistent pricing that benefits all regions.
 - Department of Commerce – DEO will transition to the new title of Department of Commerce. Enterprise Florida will be absorbed through this new entity.
 - Budget – All regional budgets were approved at the CareerSource Florida meeting. Our allocation will stay as a 11% reduction.

Workforce Transition

Rusty Skinner explained that the map provided in the packet was suggested as an initial reference for discussion. The team appeared receptive to receiving input from the regions regarding potential locations and methods for regional collaboration. Along with local metrics there will be regional performance metrics. We will be hearing more on this in the upcoming months and how plans are moving forward.

Workforce Issues that are Important to our Community

There were no discussion items.

Building Pathways to Infrastructure Jobs Grant Program

BACKGROUND:

The Department of Labor has released a notice of funding for grants designed to develop industry sector partnerships and training tracks for individuals in H1-B occupations. Grant applications are due by July 7, 2023. Grants may be awarded for several infrastructure occupations including broadband installation. Proposals may be for targeted demographics or rural areas.

POINTS OF CONSIDERATION:

We feel this grant is appropriate for Levy County and the surrounding areas (including parts of workforce regions 6 & 7) through regional planning and partnership.

This grant would be a partnership between three workforce regions, College of Central Florida, Central Florida Electric, and several contractors, contracted training providers and educational institutions in the other regions.

The grant is for a duration of five (5) years.

CSCLM will be taking acting as the lead agency for the grant and will heading up the proposal development.

Top Workplaces Project

BACKGROUND:

Top Workplaces is a free employer-recognition program designed to help bolster businesses' efforts to recruit and retain the right talent.

Based solely on employee feedback, captured by a research-backed employee engagement survey, the program helps organizations measure, shape, and showcase their culture to build a sustainable competitive edge. In addition to helping businesses get noticed and strengthen employer brand, Top Workplaces provides participating organizations with deeper culture insights, employee comments, and statements for important demographics such as DEI.

Directed by the Outreach Committee to explore the viability of Top Workplaces for the CLM region, staff met with the team from Energage (Top Workplaces) and representatives from the Ocala Human Resources Management Association, OHRMA, which is a chapter of the Society of Human Resource Managers (SHRM). A research study funded by the SHRM Foundation shows award-winning organizations excel at recruitment and retention.

POINTS OF CONSIDERATION:

- Participating organizations in our region need 35 or more employees.
- It was determined that Top Workplaces does not conflict with the "Best of" and "Readers' Choice" recognition programs conducted by area media that have members of the community/customers vote for their favorite businesses in a variety of categories. Those programs typically serve as a revenue-generating source for the outlet by charging businesses to get on the ballot and/or for promotional ads.
- Top Workplaces partners with media in major metropolitan areas - in Florida its Orlando, Jacksonville, Miami, Tampa, and Sarasota – to promote the program, host awards events, and provide additional advertising and coverage. Depending on the outlet, it can be used as a revenue source, such as by charging a license fee for the awards badge which Top Workplaces provides for free. Because the

CLM Market Service Area is not considered a major metro we are exploring whether CareerSource CLM could serve as Top Workplaces convener.

- OHRMA representatives expressed interest in the program and have been provided with more information. Next step is setting up a meeting with Energage to meet with their board and/or membership.
- The process is confidential; only those businesses named as Top Workplaces will be identified. However, insights are available to all participating organizations regardless of whether they are named a Top Workplace.
- While each participating organization receives workplace cultural benchmarks at no charge, businesses have the option to obtain further fee-based products/guidance from Energage.

STAFF RECOMMENDATIONS:

Direct staff to pursue partnership with Energage to bring Top Workplaces to the region as a strategy to further assist businesses find, hire, and retain employees. In addition to outreach, the program could include, but is not limited to, recognition events showcasing the area's Top Workplaces.

Direct Service Provider Extension

BACKGROUND:

The Citrus Levy Marion Regional Workforce Development Board currently acts as the direct service provider for services made available through the One Stop career centers. This waiver must be renewed every three years and maintained through submission of an annual report at the beginning of each program year.

We have reached the end of the previous extension periods. A full waiver submission is required for program year beginning July 1, 2023.

Lobbyist Contract

BACKGROUND:

We engaged GR to assist us during the state Realignment process. It was felt that we needed very specific services to promote our remaining as a workforce region of Citrus Levy and Marion Counties. FWDA, the state workforce association, has a lobbyist that provides "system" lobbying services. They do not represent individual region issues, so that was the primary reason that we chose GR.

The contract for the year ending June 30 was at a rate of \$5,000 per month plus expenses such as lobbyist registration and travel.

The proposed renewal would be for monitoring services and limited assistance and is at the reduced rate of \$2,000 per month plus expenses as note above.

Lobbying expenses cannot be charged to our federal grants so, like the current contract, funding would need to come from our Unrestricted funds.

POINTS OF CONSIDERATION:

While there are two phases remaining in Realignment- system improvements and regional planning, neither of these pose a threat to our local area.

POINTS OF CONSIDERATION:

Educational Assistance

BACKGROUND:

Our current educational assistance policy only includes tuition reimbursement for traditional degree programs that are relevant to an employee's job duties.

Specialized credentials are a valuable asset to the organization and provisions should be made to allow staff to pursue certification in specialty areas to enhance the effectiveness and efficiency of the organization.

POINTS OF CONSIDERATION:

- A. CLMRWDB will reimburse One Hundred Percent (100%) of all training, preparatory, or tuition costs and application and testing fees associated with certification programs that are:
 1. Professional designations that require continued education to maintain such designation.
 2. Occupationally or industry relevant to the employee's job duties or projected future work assignment.
 3. Provided by an institution of higher education, school system or another training provider that is recognized or endorsed by the certifying body.
- B. Reimbursement of costs shall be limited to those costs associated with attainment of the knowledge and required processes necessary to obtain certification.
 1. Ongoing re-certification costs may be reimbursed as long as the certification remains relevant to the employee's position or future work assignment and are approved by the Chief Executive Officer (CEO) or Executive Vice President (EVP) dependent on funding availability.
 2. Professional membership fees (annual or otherwise) will not be considered for reimbursement unless approved in advance by the CEO or EVP and are directly related to the execution of the employee's job duties, future work assignments and/or provide direct benefit to CLMRWDB.

Staff telework flex days

BACKGROUND:

Telework flex days were added as a benefit to all CSCLM staff in June of 2021. This benefit has proven to be successful and very helpful to staff while allowing more flexibility to our business model. The first iteration of this policy required staff to use Telework in 8-hour increments. This was designed to avoid issues with commute times, lunch periods, etc. We now wish to further improve the policy by allowing staff to use Telework in 4-hour increments under a structured scheduling pattern.

POINTS OF CONSIDERATION:

- Telework hours may be taken in 4-hour increments to cover the work hours of 8:00am to 12:00pm or 1:00pm to 5:00pm
- Commuting time between in-office and telework hours is unpaid and will occur during the employee's unpaid lunch break.
- When Telework hours are combined with in-office hours the employee's unpaid lunch break must be taken between the hours of 12:00pm and 1:00pm.

STAFF RECOMMENDATIONS:

Approve modification of the existing Telework policy to allow use of Telework hours in 4-hour increments.

Emergency Paid Sick Leave Elimination

BACKGROUND:

The Family First Coronavirus Response Act (FFCRA) and the American Rescue Plan Act of 2021 had authorized certain employers to provide paid sick leave to individuals affected by Covid-19. This benefit could be applied to any employee that could not work due to being a caregiver for a sick family member, personal illness and side effects from receiving an approved vaccine.

CSCLM opted to offer emergency paid sick leave to staff under this policy modeled closely after the FFCRA sick leave allowance.

POINTS OF CONSIDERATION:

As health mandates and precautions wind down from the pandemic we feel this additional benefit is no longer needed. We would like to retract **OPS-84 Supplemental Guidance** that authorized the use of emergency paid sick leave. This retraction would be effective on July 1, 2023.

One Stop Operator Procurement and Contracting

BACKGROUND:

Procurement of a One Stop Operator is a requirement under the Workforce Innovation and Opportunity Act. Since the termination of the OSO contract with Thomas P. Miller & Associates in November 2022, CareerSource has been acting as the One Stop Operator until such time the REACH Act and Realignment had been finalized. An ITN was issued on March 9, 2023, with Expression of Interest due on March 23, 2023. Due to no response, the ITN was re-issued April 6, 2023. Southern Indiana Works responded with the Expression of Interest on 4/12/23 and proposal on May 4, 2023. There were no other responses received.

POINTS OF CONSIDERATION:

Tony Waterson, President & CEO of Southern Indiana Works and Kristen Barry, Consultant to Southern Indiana Works have 25 years' combined experience in workforce development. Tony and Kristen have also served in this role previously for CSCLM. This will provide an existing knowledge of the region, the three career centers and many of the staff members.

STAFF RECOMMENDATIONS:

Approve the sole source selection of Southern Indiana Works to provide One Stop Operator duties for CareerSource CLM beginning July 1, 2023, through June 30, 2024 with a renewal review each year up to June 30, 2027.

Annual benefits renewal.

BACKGROUND:

The annual health insurance renewal is July 1, 2023. Renewal rates were received through Two-Twelve Benefits.

Florida Blue presented rates that average a 5.04% decrease in comparison with PY21 when we last had FB as a provider. We feel that these rates are reasonable based on an increase of 49% presented by our current carrier United Healthcare.

The base contribution toward each employee's benefits will be increased from \$567.30 (UHC Base Contribution) to \$571.17 with Florida Blue. This is a 0.68% increase in the employer funded part.

All plan costs over the baseline employer contribution amount will be paid by the employee. The baseline contribution amount is variable based on the premium increases and has been calculated to keep plan costs/value fair across all plans.

POINTS OF CONSIDERATION:

- The company paid Principal Dental plan rates stayed the same.
- Company paid Principal Group Life Rates Increased by 10.9% (\$139.20 Annual Cost Increase) the renewal is calling for a 10.9% increase due to the following:
 - a) *Demo Change – Lost (3) enrolled lives, gender ratio changed by 4%, natural aging of the group.*
 - b) *6% Risk Adjustment, meaning current rates do not match the current risk of the group.*
 - c) *The last 2 years the full increases on the Life have been waived.*
- Company paid Principal Short-Term disability rates stay the same.
- The company paid Principal dependent Life rates stay the same.
- The company paid Principal Vision plan rates stay the same.

STAFF RECOMMENDATIONS:

Our recommendation is that we contract with Florida Blue for the five (5) options listed below:

1. 128/129 HSA –The monthly company share of the premium will be \$590.70. This plan will be offered at \$0.00 cost to the employee.
2. Blue Options 5302 – a PPO plan with a monthly rate of \$571.17. This plan will be used as the baseline employer contribution amount for the remaining plans. This plan will be offered at \$0.00 cost to the employee.
3. Blue Care 47 – an HMO plan. We recommend the company pay the baseline amount of \$571.17. Monthly employee contribution will be \$189.10.
4. Blue Care 60 – an HMO plan. We recommend the company pay the baseline amount of \$571.17. Monthly employee contribution will be \$267.03.
5. Blue Options 3566 – a PPO plan. We recommend the company pay the baseline amount of \$571.17. Monthly employee contribution will be \$121.91.
6. Continue with all Principal plans as currently contracted – minor changes as shown on the attached spreadsheet.

Subgrantee Agreement Compliance- Schedule of Operations

BACKGROUND:

The Subgrantee Agreement calls for certain approvals by the Board.

g. Annually before July 1 of each state fiscal year, the Board shall adopt a schedule of operations for the upcoming state fiscal year. Such schedule of operations shall include, but is not limited to, daily hours of operation of one- stop operators, and a holiday closure schedule which adopts either the federal, state, or appropriate county holiday schedule. If the Board has a career center that is affiliated with a college or university, the college or university schedule may be adopted for those centers. The proposed schedule must be approved by the Board and posted on the Board's website in a conspicuous, easily accessible manner. The Board must give prior approval to any deviations from the schedule, except in emergency or reasonably unforeseeable circumstances (e.g., an order of the President or Governor, total loss of facilities from a catastrophic natural or man-made disaster, etc.). If emergency circumstances exist which result or could foreseeably result in a shutdown, the Board shall ensure that DEO and the State Board are informed within 48 hours of such shutdown or potential shutdown

POINTS OF CONSIDERATION:

Requires the Board to set hours of operation and official dates of closure. Holiday schedule should be either federal, state or county schedule. Board can give prior approval to deviations to the schedule.

CLM has 11 holiday closures, the same number as the federal schedule, except that instead of Washington's Birthday and Columbus Day, CLM has the Friday after thanksgiving and Christmas Eve.

In addition, CLM offices/centers close four (4) times per year for staff training. For hours of operation, CLM's normal hours of operation are Monday through Friday, 8:00am until 5:00 pm.

STAFF RECOMMENDATIONS:

Adopt the Federal Holiday Schedule, with the following deviation: substitute the Friday after Thanksgiving and Christmas Eve for Washington's Birthday and Columbus Day.

Approve CEO designating up to four (4) staff training days per year, providing the Board and DEO at least two weeks advanced notice with the notice posted on each office and on the website and through social media.

Approve the normal hours of operation to be Monday through Friday 8:00 am through 5:00 pm.

TOPIC/ISSUE:

Staff Retention Incentives

BACKGROUND:

It is customary that we try to give all employees a minimum of 3% cost of living adjustment each program year. However, we received an overall budget reduction of 11% this program year restricting our ability to increase payroll costs.

POINTS OF CONSIDERATION:

We would like to provide all CLM staff with a one-time retention incentive equivalent to 3% of their current annual salary. This incentive would be paid from our current balance of unrestricted funds and will only be done so after final budget figures are received from the State, a final budget is developed, and it is decided by the CEO and EVP that proceeding with the incentives is feasible at that time. This is anticipated to occur in mid to late July or August. The expected cost of incentives is \$79,094.00.

STAFF RECOMMENDATIONS:

Permit sr. management to provide retention incentives to staff at a rate of 3% of their annual salary.

COMMITTEE ACTION:

Kim Baxley made a motion to permit senior management to provide retention incentives to staff at a rate of 3%-5% of their annual salary. Al Jones seconded the motion. Motion carried.

BOARD ACTION:

This item appeared on the board agenda as a consent agenda item. Mark Paugh made a motion to approve the Performance and Monitoring, Career Center, Marketing and Outreach, and Executive committee consent agenda items. John Murphy seconded the motion. Motion carried.

TOPIC/ISSUE:

Severance pay

BACKGROUND:

We are looking at restructuring our staffing model due to budget concerns stemming from a projected 11% decrease in formula funding.

POINTS OF CONSIDERATION:

Staffing reductions may need to occur due to continued decline in funding and increased focus on business-driven services. Should reductions occur we would like to provide any affected staff with severance pay equal to four (4) weeks of their current wage. All severance pay will be provided in lump sum in the staff's final pay cycle.

- Full-time staff will receive an amount equal to 160 hours.
- Part-time staff will receive an amount equal to 96 hours (based on average hours worked for part-time positions).
- All staff impacted will be placed on administrative leave and paid through the end of the current pay period in which the reduction occurs.
- Severance payments will be made on the staff member's final pay statement.

STAFF RECOMMENDATIONS:

Approve paid administrative leave and severance pay for any staff affected by reductions as detailed above.

COMMITTEE ACTION:

Al Jones made a motion to approve the paid administrative leave and severance pay for any staff affected by reductions and to incorporate this policy into the employee handbook. Charles Harris seconded the motion. Motion carried.

BOARD ACTION:

This item appeared on the board agenda as a consent agenda item. Mark Paugh made a motion to approve the Performance and Monitoring, Career Center, Marketing and Outreach, and Executive committee consent agenda items. John Murphy seconded the motion. Motion carried.
