# GET NOTICED WITH JOB SPECIFIC RESUMES

Learn about the role of your job specific resume as you navigate today's workplace and job opportunities. Don't run the risk of being a second-tier interview candidate because you used a global (one-size-fits-all) resume. In this workshop, individuals begin to learn how to highlight their skills and qualifications on a job-specific basis. They will also hear cutting-edge strategies for marketing their job specific resumes to stand out in the competition!

**PLEASE NOTE:** Individuals are requested to register in advance of attending.
