• CareerSource Florida and the Florida Department of Commerce have requested that we provide assistance on a special project. The project length would take about three months to complete. After initial discussion of the request, members of CLM management believe the project will be manageable with existing workloads. It is anticipated that the full scope of work will be provided by the end of next week. A budget will be drafted and submitted for approval to the State. Funding will be provided through an NFA. # Executive Committee Wednesday, May 23, 2024

| Staff Increases  |
|--|
| BACKGROUND:  |
| Last program year staff were issued a one-time retention incentive in the amount of 3.5%. This incentive was paid out of unrestricted funds and was not an adjustment to hourly or salaried rates. |
| The last regular staff adjustment occurred in program year 2022-2023 at a rate of 3%.  |
| Budget review for program year 2024-2025 allows for a regular adjustment to staff hourly/salary rates.   |
| POINTS OF CONSIDERATION:   |
| We would like to provide an increase adjustment to all non-contracted staff member's hourly and salary rates at 5% annually effective July 2024.   |
| STAFF RECOMMENDATIONS:   |
| Approve an increase for all non-contracted hourly and salaried staff at a rate of 5%.  |

# RECORD OF ACTION/APPROVAL

# Executive Committee Wednesday, May 2', 2024

# TOPIC/ISSUE:

Switch Ancillary benefits from Principal to FL Blue/USAble Life.

# **BACKGROUND:**

The annual ancillary insurance renewal with Principal is July 1, 2024. Renewal rates were received through Two-Twelve Benefits.

Our insurance broker Two-Twelve Benefits proactively quoted all lines of ancillary coverage with Florida Blue to take advantage of premium savings to reduce the overall increase to the healthcare plans. In doing so, reduced the total health care increase from 14.5% to 4.5%.

# **POINTS OF CONSIDERATION:**

- Principal presented rates that average a 9% increase in comparison with PY23.
- Coverages are similar; some lines of coverage are lower some are higher.
- Moving the lines of coverage to FB and the impact of medical rates more than make up for the small increase in Ancillary lines of coverage.

# STAFF RECOMMENDATIONS:

Our recommendation is that we switch our ancillary insurance benefits from Principal Insurance to Florida Blue/USAble Life.

#### Open Enrollment

- Members and dependents can get coverage during the open enrollment period with full benefits—even if they were previously enrolled in the coverage, but then waived the coverage.
- If members and dependents don't enroll within 31 days of being eligible or with a qualifying event, their only opportunity to enroll will be during the group's open enrollment period which typically occurs 30 days prior to their policy anniversary.
- Our Best in Class network now has over 420,000 access points nationwide! Plan options are available which will reduce costs with minimal impact to benefits. Ask me for suggestions!

Group Term Life \$1,250 \$123 9.9%

- At policy anniversary, Life will be receiving a rate increase of 9.9%. This results in a premium increase of \$123. I was able to negotiate this down from a 13.0% increase.
- This is due to demographics and natural aging with overall enrollment dropping from 66 to 58.
- The percentage of males enrolled increased.

# TOPIC/ISSUE:

Annual benefits renewal.

# **BACKGROUND:**

The annual health insurance renewal is July 1, 2024. Renewal rates were received through Two-Twelve Benefits.

Florida Blue presented rates that average a 4.5% increase in comparison with PY23. The base contribution toward each employee's benefits will be increased from \$590.70 to \$620.17 This is a 5% increase in the employer funded part.

All plan costs over the baseline employer contribution amount will be paid by the employee. The baseline contribution amount is variable based on the premium increases and has been calculated to keep plan costs/value fair across all plans.

# **POINTS OF CONSIDERATION:**

- In an effort to save cost this year Two-Twelve offered to bundle our Ancillary plans with Florida Blue & Florida Combined Life / USAble.
- Moving the lines of coverage to FB and the impact of medical rates more than make up for the small increase in Ancillary lines of coverage. The initial increase was a 14.5% average increase over total premium.
- We will keep the same five Florida Blue health plans from last year.

### STAFF RECOMMENDATIONS:

Our recommendation is that we contract with Florida Blue for the five (5) options listed below for program year 24-25:

- 1. 128/129 HSA –The monthly company share of the premium will be \$620.17. This plan will be used as the baseline employer contribution amount for the remaining plans. This plan will be offered at \$0.00 cost to the employee.
- 2. Blue Options 5302 a PPO plan with a monthly rate of \$603.72. This plan will be offered at \$0.00 cost to the employee.
- 3. Blue Care 3566 an PPO plan. We recommend the company pay the baseline amount of \$620.17. Monthly employee contribution will be \$46.57.
- 4. Blue Care 47 an HMO plan. We recommend the company pay the baseline amount of \$620.17. Monthly employee contribution will be \$74.77.
- 5. Blue Options 60 a HMO plan. We recommend the company pay the baseline amount of \$620.17. Monthly employee contribution will be \$110.61.
